### About this bus...

The bus is a 1950 Bristol L5G 35 seat saloon with Gardner 5LW oil engine and bodywork by Eastern Coach Works of Lowestoft. It was new to Norwich, Surrey Street depot in July 1950 and served the Eastern Counties Omnibus Company for 17 and a half years until retirement in January 1968. It then passed via a motor dealer to Simplex of Sawston where it was used as a worker's bus for a further 7 years, before being rescued for preservation in 1975.

Owned by Patrick Burnside of Norwich since 1984 who has carried out a full restoration which was completed in September 1988.
