

EASTERN COUNTIES

PRIVATE HIRE

This folder gives just a few examples of the many attractive tours for private parties which can be arranged within the compass of a day's driving.

The greatest attention is given to the selection of attractive routes and frequent stops can be made for sightseeing and refreshments.

Comfort, reliability and the provision of careful, courteous and helpful drivers ensure that private parties obtain the utmost enjoyment from their outings.

No matter how large or small the party our Private Hire Organisation is *always at your service*—to provide Luxury Coaches or Buses—to book seats for theatres or sporting events—to make arrangements for meals—to relieve party organisers of many of the responsibilities involved in planning successful outings. Please write, telephone or call, at any of the Offices listed overleaf or write our Head Office at the address below.
