

EASTERN COUNTIES OMNIBUS COMPANY - PARCELS SERVICE - 1932

Parcels were conveyed on most of the company's services at the following rates:

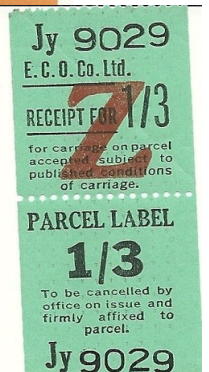

Weight	Up to 35 miles	Over 35 miles
7 lbs	4d	6d
14 lbs	6d	10d
28 lbs	8d	1/-
42 lbs	1/-	1/4
56 lbs	1/4	2/-

Delivery was made to the agent nearest the consignee's address, unless an additional fee of 2d was paid for direct delivery to consignee.

Direct delivery could only be effected within an area not exceeding one mile from agent's premises. All parcels were accepted for despatch subject to the conditions of carriage which were exhibited at the company's enquiry offices and principal agents.

Advert 1. This little gem was rescued from the Wellington Road Travel Office at Great Yarmouth Bus Station in the late 1970s. It measures 10 inches x 7 inches and is mounted in a glass frame bound with black tape. The style of the company logo indicates that it dates from before the last war.
